- IV. BOARD RESOLUTIONS**

A. Resolution of Support for Red Ribbon Campaign

Whereas, communities across America have been plagued by numerous problems associated with illicit drug use and those that traffic in them; and

Whereas, there is hope in winning the war on drugs, and that hope lies in education and drug demand reduction, coupled with the hard work and determination of organizations such as the River Towns Young Marines, to foster a healthy, drug-free lifestyle; and

Whereas, governments and community leaders know that citizen support is one of the most effective tools in the effort to reduce the use of illicit drugs in our communities; and

Whereas, the Red Ribbon Campaign was reestablished by Congress in 1988 to encourage a drug-free lifestyle and involvement in drug prevention and reduction efforts; and

Whereas, communities across the nation participate annually in National Red Ribbon Week, which encourages Americans to wear a red ribbon to show their support for a drug-free environment;

Therefore be it Resolved, that the Town Board of the Town of Ossining hereby proclaims October 30th- November 5th as Red Ribbon Week in the Town of Ossining, and urge all citizens to join us in this special observance.

B. Weather Awareness Week in the Town of Ossining

Whereas, since 2010, the local tri-state area has experienced blizzards, heavy snowfalls, freezing rain, extreme cold temperatures, strong winds, and wind chill temperatures, all of which have been more frequent than in years past; and

Whereas, the Town of Ossining is committed to getting important information to our residents in order to save lives and minimize property damage during these severe weather events;

Now, therefore be it Resolved, that the Town Board of the Town of Ossining does hereby name October 30th through November 5th, 2016 “Winter Weather Awareness Week” in partnership with the National Weather Service, and commits to promoting winter weather education and safety whenever possible and do our part to help build a “Weather Ready Nation”.
