## **Green Ossining Citizen Committee Launched** *Town and Village Join Forces to Combat Climate Change*

*(November 9, 2009)* The Town and Village of Ossining have established a Green Ossining committee to develop ways to reduce the community's carbon footprint, make greater use of local resources, and to find collaborative solutions to help residents reduce energy consumption in their homes and businesses. Members of both the Town and Village Environmental Advisory Committees will participate in this effort.

The group will have an organizational meeting on **Thursday, November 12, 7:30 pm** at the John Paul Rodrigues Center on Rt. 9A in Ossining. Anyone interested in joining this effort is invited to attend. For more information, contact Catherine Borgia at 914-762-6001 or 914-262-8873.
