## **Town Hall Meetings Scheduled to Discuss Police Options** ***August 26 and September 13, 7:30 pm, at Anne M. Dorner Middle School***

(August 12, 2010) The Town of Ossining will hold two “**Town Hall**”- style meetings on **Thursday, August 26** and **Monday, September 13**, at **7:30 pm** at **Anne M. Dorner Middle School** on Van Cortlandt Avenue, to discuss the two options for providing policing services to the unincorporated area of the Town of Ossining currently being evaluated by the Town Council.

The two proposals – one by Westchester County and one from the Village of Ossining – are available on the Town of Ossining website: [www.townofossining.com](http://www.townofossining.com). Both proposals suggest ways to save Town of Ossining taxpayers money by providing alternatives to the current method of delivering police services to the unincorporated area of Ossining.

“We encourage residents, particularly those who live in the “Town-outside” area, to attend one or both of these meetings. The Town of Ossining understands the burden on taxpayers, and we continue to seek innovative ways of providing the excellent services residents enjoy in more cost-effective and efficient ways. We have an opportunity to make a very positive change that will save taxpayer money right away, and create a more sustainable future for the community.”

Those unable to attend the meetings are urged to send their comments and questions regarding the two proposals to: [cborgia@townofossining.com](mailto:cborgia@townofossining.com).
