September 17, 2011 at 1:30 p.m., the Town of Ossining will be hosting a press conference to announce the opening of their new kayak launch, and to herald in the fall. The kayak launch will have public storage racks available to all on a first-come-first-serve basis, along with storage lockers that will also be open to the public. That day, all day long there will be live music with several bands performing, along with crafts and food vendors. The bands performing are: Mike & Miriam Risco, Jack Driscoll / Don Smith, Terri Larmar, Chuck Treppeda, and K.J. Denhert. Please join us for this incredible celebration.

Town of Ossining Department of Parks & Recreation:

The Ossining Community Center, 95 Broadway, provides programs for senior citizens and pre-schoolers in the mornings and early afternoon, after school and summer programs for children, and adult evening programs such as social dance, yoga, and aerobics. The Parks & Recreation Department also works closely with the Ossining Boat & Canoe Club, committed to continuing our role on the waterfront as a living interface between the Ossining community and the Hudson River, one of our country's great natural resources.

If you would like more information about this topic, or to attend the Press Conference, please call Amanda Porteus at 484-753-2532 or email Amanda at amandaporteus@me.com.
