We have provided annotated responses, below, to Ciarcia Engineering, P.C. memorandum dated September 21, 2016:

1. An enlarged view of DMH #5 has been shown on Sheet 11/11.
 2. The channel and associated piping has been included in the post-construction maintenance program outlined in the revised SWPPP report.
 3. A revised SWPPP report is included as part of this submission.
- Please contact me if you have any questions or require additional information regarding the above.

Very truly yours,
