

PUBLIC NOTICE
RESIDENTS OF
McCARTHY DRIVE

Starting this week, March 29th, and continuing through the end of the year, the Town of Ossining, and its contractor, Montesano Bros. Inc., will commence with the McCarthy Drive road improvement project.

The first phase of this work will include surveying and utility relocation coordination. Additional phases, including heavy construction, will follow. If you would like to receive additional information throughout the construction process, please send an email to DLevenberg@townofossining.com, so we can add you to an email list for the McCarthy Drive project.

The Town anticipates conducting a resident/contractor/Town field meeting once Montesano Bros. are fully mobilized on site. Details of this meeting to follow...

Additionally, if your garbage/recycling is collected from this area, please have it out for collection by 6 a.m.

Thank you, in advance, for your patience and cooperation as we proceed with this work. Please allow yourself extra time while traveling through these areas.
