

Tree Removal Inventory

68 Somerstown Road, Ossining, NY

Welcome Homes performed a tree survey of the subject property on March 21, 2022. A licensed arborist confirmed the common and botanical names for each tree that was identified on the survey. The following trees have been identified as needing to be removed to accommodate the proposed development:

Inventory of Trees to be Removed				
Number	Common Name	Botanical (Latin) Name	Caliper (DBH)	Health Condition
1	Arborvitae	Thuja	15"	Healthy
2	Arborvitae	Thuja	14"	Healthy
3	Arborvitae	Thuja	14"	Healthy
4	Arborvitae	Thuja	19"	Healthy
5	Arborvitae	Thuja	9"	Healthy
6	Arborvitae	Thuja	8"	Healthy
7	White Ash	Fraxinus Americana	15"	Healthy
8	White Ash	Fraxinus Americana	14"	Healthy
9	Elm	Ulmus Americana	20"	Healthy
10	Red Maple	Acer Rubrum	35"	Healthy

The information for the arborist that confirmed the species is as follows:
