

PERMISSION FROM THE PROPERTY OWNER LETTER TEMPLATE

As the property owner, I hereby give permission for _____

(Film Company/Photographer)

to use the property located at _____

(Address)

for the purpose of filming on the following date(s) _____

(Dates)

I understand that the Town of Ossining has not yet issued a film permit for this location and my permission is needed for the commercial film company/photographer to enter an application with the Town. I also understand I can deny this request to film on my property, and that the town may not issue a permit to film on my property without my permission.

I understand that once this letter is signed, I am entitled to a copy of the letter and to a contact person both from the film company/photography team and with the Town of Ossining.

If I am the tenant hosting filming, I understand that I may not sign this form, as it is my responsibility to confirm with the property owner that I have permission to host a film shoot.
