I have audited the accompanying Balance Sheet of the Ossining Volunteer Ambulance Corp, Inc., as of December 31, 2007, and the related Statements of Support, Revenue & Expenses, Functional Expenses, Changes in Fund Balances and Cash Flows for the year then ended. These financial statements are the responsibilities of the organizations management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.
