

Town of Ossining, New York Stormwater Management Program Public Education and Outreach Questionnaire

The Town of Ossining is seeking information from residents and businesses with respect to their understanding of stormwater related issues in the community. In order to better understand what the Town must do to better inform residents and businesses, we ask that you complete the following short questionnaire and return it to us either electronically or in hard copy. Hard copies may be hand delivered or mailed to the Town Supervisor's Office, 16 Croton Avenue, Ossining, New York 10562

Thank you for your support of the Town of Ossining's continuing Stormwater Management efforts.

Dana Levenberg
Supervisor

To record your answer, highlight the shaded box next to your answer and hit the "X" key. The highlighted box will be replaced with an "X".

1. Do you recall receiving any educational materials, reading or hearing about stormwater/water quality in the last 12 months?
