At 7:30 P.M., the Public Hearing was opened.

Supervisor Levenberg stated that this is to extend the moratorium by another month. The Moratorium has been in effect since June 2016 and the plan was to lift it concurrent with our change to our zoning law. However, we have received a lot of feedback to elect it and incorporate it into the law itself. At this time, we need to maintain the moratorium until we finish deliberating.
