

**Businesses within my immediate neighborhood of 9 Old Albany Post Road, Ossining, NY at the intersection of Routes 9 and 9A:**

- General Electric across the street with their helicopter trips and large tour buses that park with their engines running under the 9A overpass for periods of time.
- Fiorito Construction yard across 9A.
- M&S Iron Works four driveways away.
- Solo Tree Construction three driveways away.
- Parker Bale American Legion Post next door on the right.
- Fraternal Order of Eagles next door on the left.
- St. Augustine's Church directly across from property on Route 9.

My 1.5-acre property never has an assembly of vehicles outside my property lines.
