Dear Community Resident,

The Town of Ossining opened the Cedar Lane Arts Center (CLAC) and a ceramics studio in April, and launched classes for children and adults, which are ongoing. The studio hosts six electric wheels, a slab roller, ample tools and two 7-cubic foot electric kilns.

We want to know what interest area residents have in joining the Cedar Lane Arts Center community and how the arts center can best meet your needs and desires. Please take a few minutes to complete this survey and return it to the address below. Thank you for your input.
